## WHAT'S AHEAD?

An exciting  
Prophetic  
Adventure  
is ahead  
for all of us!

### THERE'S A NEW WORLD COMING by Hal Lindsey

There have been many, throughout the centuries of man's long history, who have sought to predict the course of human events. None have had the incredible accuracy of the ancient Hebrew prophets. The story of their predictions is what **THERE'S A NEW WORLD COMING** is all about. The author, Hal Lindsey, has sought to make the Book

of Revelation a prophetic adventure . . . not a deep, exhaustive study, but rather an effort to tell a mysteriously complicated saga in a simple and exciting story.
